During the visit, we visited the campus of Lingshan School, appreciated the calligraphy work made by students and teachers of Lingshan School, and had a look at some special facilities like the dormitory. Jubileans also participated in a thematic trial class: 'Dream Catching in the Greater Bay Area'.

Parents at Lingshan School prepared traditional Cantonese dishes like barbecue chicken, radish cake and fried tangyuan etc. We tasted the food while conversing with students and teachers from Lingshan School. At last, we visited the after-school run at Lingshan School, where our students could also enjoy the fun of the run.
