Mr. Richard Yeung

楊立彬先生

We were pleased to invite Mr. Richard Yeung, the CEO of *Convenience Retail Asia Ltd. of Circle K Convenience Store, Saint Honore Cake Shop and Zoff HK*, to be the guest speaker of the final round of Dialogue with CEOs and Entrepreneurs this academic year. What made the activity distinct from the previous one was the participation of principals and teachers from SKH Tsang Shiu Tim Secondary School, SKH Lam Kau Mow Secondary School and SKH Bishop Mok Sau Tseng Secondary School to enhance professional exchange and development through Mr. Yeung's sharing.

The activity began with a welcoming speech by our Principal, Ms. Wong Lee Lee. Then, Mr. Yeung made an inspiring presentation called, "*Six Important Things I Wish I had Known When I was a Teenager*" which included personal reflection like finding the most valuable things and purposes in life, tips to achieve what you want, and how to find the right job. His thoughtful sharing encouraged every student to work towards being the best version of themselves every day.

Finally, the activity ended with photo taking and thank-you card presentation by students. A form five student's heartfelt message to the CEO included, "Thanks for the activity. I have learnt that we must not only take good care of our physical selves, but also our mental health, in order to pursue our dreams. Thanks for providing us with good insight into what we, as teenagers and students, should prepare and strive for. Your sharing of the retail business has broadened my horizons and enriched my knowledge about this area of work. Thanks for telling us that we should be resilient when we face different challenges. It inspired me a lot."
