ELDERLY HOME VISIT

organised by Free Methodist Church Tak Tin IVY Club

Our Jubileans live up to the school motto '*I'm not born for myself alone*' by actively serving the community. On 10 April, members of Community Service Society visited the elderly home. Before the visit, Jubileans had prepared some handmade cardholders as gifts to the elderly. They also showed care and compassion for the elderly by distributing pandemic care packages and chatting with them. This meaningful activity enabled Jubileans to understand and address the needs of others in society. In addition, they experienced the joy of giving and caring for others through the visit.
