## 57th SPEECH DAY

**14 November** was the big day for our F.6 students of **class 2020** as the heart-warming Speech Day gathered all teachers, F.6 graduates, parents and other prize winners together in the hall. It was such a privilege for us to have our honourable guest, The Most Revd. Paul Kwong (鄭保羅大主教), and members of the IMC with us on this memorable day to celebrate and witness this special moment of all the graduates. Everything went smoothly, and the inspiring and encouraging speeches given by the Most Revd. Paul Kwong and Principal Ms Wong beautifully concluded the wonderful six years of our students spent in BHJS.

What's more, the school provided graduation gowns to all graduates for photo-taking. There were several decorative backdrops in the playground as well so that graduates could capture the lovely and unforgettable moments at their alma mater.

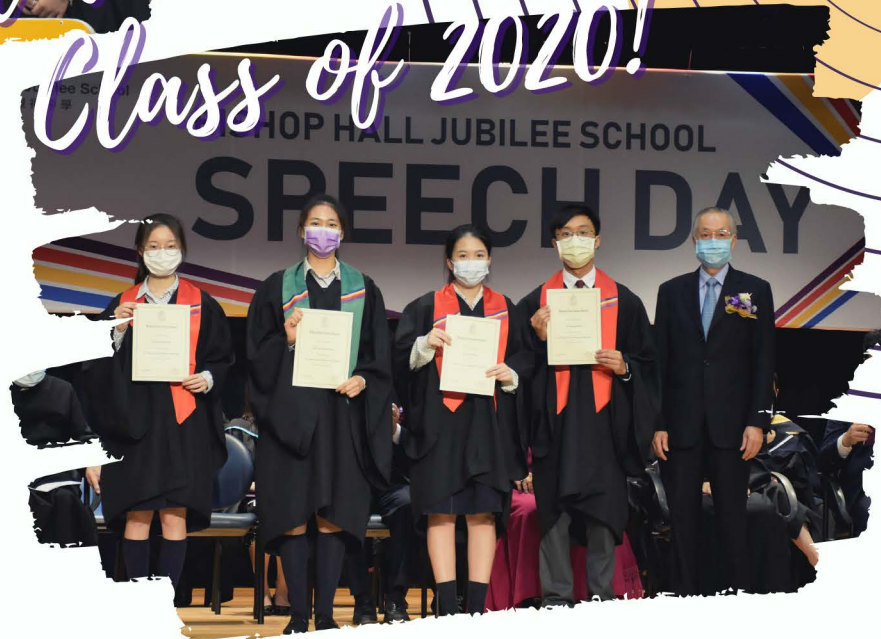

Thankfully, despite the epidemic, we were still able to gather together for this special occasion. Here we wish our beloved F.6 students of class 2020 all the best in their future endeavours!
